Fundamental to business development

Photons West is an essential industry event and, with a real appetite from conference delegates and exhibition attendees to return to in-person attendance, there are great opportunities for face-to-face participation in the conversations and decision making that happen here. Photons West remains a core component in driving your business development and strategic marketing planning.

- Show Daily keeps attendees informed in real-time. Put your company brand and products alongside the latest developments and exclusive editorial coverage on optics.org and buyers.
- Maximise your exposure with exclusive distribution from the North and South halls ensuring your message reaches an engaged audience.
- 3,000 copies printed daily making it easily accessible to attendees
- Extended reach. Sent out digitally to all 20,000+ subscribers of the optics.org eNewsletter.
- Enjoy long-lasting visibility with your content hosted on optics.org for an entire year.
- Puts your products directly into the hands of Photons West attendees.
- Strategically align your brand with your target markets and specific applications to enhance your market presence.
- Gain a competitive edge with effective promotion that drives traffic to your booth and facilitates direct engagement with potential clients.

Delivering your marketing messages

By working in close partnership with optics.org you will be able to reserve space in the Photons West Show Daily, the official daily newspaper for Photons West, to ensure that your products, marketing message and brand are delivered to conference attendees each and every day of the show.

Massive daily distribution at exclusive locations

Distribution of the Photons West Show Daily will be in prime locations accessible only by SPIE, including inside the Moscone Center in the Photons West Registration areas and high traffic visitor areas, giving you more exposure to attendees than ever before.

There are no substitutes

If it isn’t in the Photons West Show Daily – then it isn’t official.

It’s where buyers come to buy

Industrial R&D, product engineers, and scientists from around the globe come together at Photons West. In addition to companies, leading government and research organizations also send hundreds of attendees to learn what's new.

As part of SPIE, there are many international exhibition, sponsorship, and advertising opportunities associated with SPIE events and SPIE Photonics Focus. Let's talk about how we can create a multi-channel marketing campaign together!
Optics.Org Product Focus
Product Focus is a print publication from optics.org and will form part of the Photonics West Show Daily. It is the ideal place to announce a new product or to ensure your existing products get the visibility they deserve. If you are exhibiting at the Show, we will include your booth number in your advertisement making it easy for potential customers to find your products.

Eighth Page Product
Copy should not be more than 85 words. Full company details should be provided plus any contact names.
Product photo size: 40mm x 30mm
Photo should be supplied as high-resolution JPEG or EPS files. All image files must be 300 dpi minimum at above size and CMYK.

Eighth Page Product plus
Star Product* on optics.org
*Star Products deliver homepage promotion and inclusion in the optics.org section of Photonics West Show Daily.

Video Interviews and Product Demos
Take advantage of a great opportunity to explain and promote your products not just to show attendees but also to a much wider audience worldwide.

Photonics West now offers a service which enables you, to film your product promotion and visually demonstrate the tangible benefits way beyond a printed ad or banner placement. All from the comfort of your own booth.

Photonics West video interviews and product demos service will fully expand the exposure of your brand and products beyond the exhibition itself and include these valuable benefits:
- Your video will be promoted to 30,000+ optics.org users.
- Your video will be hosted on optics.org for 12 months and promoted specifically via the optics.org Products pages.
- Your video will be promoted in the Photonics West eNewsletter which is distributed to our 20,000 optics.org newsletter subscribers.
- You will receive an MP4 video for your own individual promotions and marketing activities.
